SUMMARY

I'm Ahmad Fauzan, an Informatics student at Amikom University Yogyakarta with a deep passion for front-end development. My expertise in HTML, CSS, and JavaScript enables me to craft responsive and visually compelling website interfaces. I am committed to continually refining my skills with ReactJS to deliver dynamic user experiences.

SKILLS

- **Programming Languages** - HTML, CSS, JavaScript.
- **Libraries & Frameworks** - React, Tailwind, Node.js.
- **Tools & Platforms** - Git, Github, Vercel, Firebase, Figma.

EXPERIENCE

- **Binar Academy • Front-End JavaScript Course** (08/2023) – (01/2024)
 - Completed a comprehensive Front-End JavaScript course as part of the MSIB 5 program
 - Developed skills in modern JavaScript frameworks and libraries, including React.
 - Successfully submitted and received approval for all weekly and final project reports
 - Gained hands-on experience by working on real-world projects, enhancing problem-solving abilities and understanding of web development best practices.
 - Collaborated closely with a diverse team on various projects, ensuring effective communication and successful completion of tasks.
- **Amikom University Yogyakarta • Mentor - Student Orientation Program (PPM)** (08/2023) - (09/2023)
 - Served as a mentor for new students during the university's student orientation program (PPM).
 - Guided and supported first-year students in their transition to university life, providing advice on academic and campus resources.
 - Facilitated group discussions and activities to foster a sense of community and belonging among new students.
 - Collaborated with other mentors and university staff to ensure a smooth and engaging orientation experience.
- **Amikom University Yogyakarta • Teaching Assistant** (02/2024) - (07/2024)
 - Assisted in teaching undergraduate courses by explaining complex topics and providing additional support to students.
 - Held office hours to help students with their coursework, answering questions, and clarifying difficult concepts.
 - Facilitated small group discussions to deepen students' understanding of the material.
 - Collaborated with the course instructor to develop learning materials and assessments, ensuring they met academic standards.

EDUCATION

Amikom University, Yogyakarta • Bachelor's Degree, Computer Science

(2021 - Current)

- Activities and society: Amikom Computer Club
- GPA: 3.91/4.00

CERTIFICATES

Fundamental Front-End Web Dev • Coding Studio

(06/2024)

Fron End JavaScript MSIB 5 • Binar Academy

(12/2023)
